HERITAGE
LUXURY VINYL PLANK
BY HURFORD'S

This collection encapsulates the stunning and beloved timber species Australia has cherished for centuries.

Hurford's Architecturally inspired Heritage LVP range was born from the company's rich manufacturing history. Being Australia's premier timber manufacturer, this collection encapsulates the stunning and beloved timber species Australia has cherished for centuries. Created from our own unique manufactured timber, Heritage LVP brings a depth of warmth and sophistication to any residential or commercial space.
